ABOUT US

CIXI linhao industrial is a professional manufacturer specialized in nonstick bakeware products.

It covers land area of 10000sqm,standardized workshops of 25000sqm, and potentially holds 100 peoples to work.

Since 2006, we pursue to providing high quality & elegant appearance product with competitive price to global customers.

The most advanced automatic mechanized production, reducing labor and improving efficiency.

Great electrostatic spray hanging line to ensure quality while improving production.

At present, we have great cooperation with Amazon, KitchenAid, TJX, Tchibo, REWE and so on, and produce for Aldi,Lidl.

Our company passed the ISO9001 and BSCI System Certification.
Our products matched with FDA, LFGB certification.

Welcome to OEM with us, we able to produce 600000pcs in a month with 60 punching machines and 6 packing lines.

More than thousand kinds of designs available to be selected. Each piece will be inspected before packing.

Welcome to ODM, we will work with your needs, design, and develop manufacture directly for you.

WHY CHOOSE US

CIXI linhao industrial

CIXI

linhao industrial

HIGH-QUALITY

Focus on every piece product quality,
check every piece product before
packing and certification ISO & BSCI
Cooperation with the international
Coating supplier,
PPG, ILAG，Gerblon

RICH EXPERIENCE

25000 square meters factory site,
100 employees, and over 20 years
of production and foreign trade experience

PROFESSIONAL TEAM

The professional team,
24-hour online service,
feed customers to solve problems
Provide sales materials for customer sales
Support promotional cooperation
plans for cooperative customers
Sample support for customer market expansion

OEM&ODM

We work with global brand merchants
We have the stable cooperated tooling factory,
can provide customized servies,
also assist customers in new product design
and development, make your ideal come ture

COMPETITIVE PRICES

Advantages in raw material cost due to
scale procurement
and the good relationship
with the raw material supplier
to get the competitive price

DELIVER ON TIME

Independent production,
automation rate exceeds 60%,
Standard products delivered 4weeks,
OEM customization delivered in 6 weeks
